Best Visual Illusion of the YEar Contest

Filed under: [Art not necessarily comix](#) @ 1:58 pm
Eric Millikin writes:

The contest is a celebration of the ingenuity and creativity of the world's premier visual illusion research community. Visual illusions are those perceptual experiences that do not match the physical reality. Our perception of the outside world is generated indirectly by brain mechanisms, and so all visual perception is illusory to some extent.

[Winners have been announced.](#)
